

# Why sales after B.Tech?

*Some of my friends were working in sales, but they left the job. When I asked them, what is the reason you left the job. They told me some of the reasons that are-:*

- *Challenging Job*
- *Travel A lot*
- *Learn new things daily*

*So, it amazed me like challenges are the only way to test and grow yourself. I love travelling and meeting people.*

***Then I researched about the sales profile during my college days, I got many things like-:***

- *Rapid Career Growth*
- *Communication Skills Improves*
- *You will learn new things daily.*
- *Convincing power Improves*

*Then, I decided that I will work in sales profile.*
